## **Easy Convey joins the Legal Software Suppliers Association**

Membership in the LSSA will further highlight Easy Convey's commitment to maintaining professional standards

Easy Convey Ltd ([www.easyconvey.com](http://www.easyconvey.com)), a leading developer of electronic conveyancing products and services, has today announced that it has become a member of the Legal Software Suppliers Association (LSSA), the UK industry body for legal systems developers and vendors. As a member of the LSSA, Easy Convey will continue to uphold professional standards within the industry, whilst also pursuing areas of mutual interest, such as the formulation of XML standards and adhering to a strict code of practice in its dealings with customers.

**"We are delighted to have joined the LSSA and become part of the body that represents legal software suppliers"** says Dominic Cullis, Managing Director, Easy Convey Ltd. **"Through this new relationship, I believe that we are further demonstrating our commitment to customer relations and also reaffirming our commitment to achieving the highest professional standards within the industry."**

The announcement has come at a very dynamic time for Easy Convey, just weeks after the company announced a new version of its unique Conveyancing Administration Software Application (CASA), as well as the appointment of a new National Sales Manager and UK Customer Relationship Manger.

**"It is a very exciting time for us at Easy Convey,"** says Dominic Cullis, Managing Director, Easy Convey Ltd. **"With the introduction of the hotly contested Home Information Packs in 2007, and further developments in the field of conveyancing, I anticipate that the LSSA and Easy Convey will have many productive years ahead of us."**

**About Easy Convey Ltd**

Easy Convey was established in April 2000 to market a range of electronic conveyancing products and services, all of which were developed in-house. By using this technology, conveyance lawyers can enjoy 50 percent more completions, without increasing staff levels.

Easy Convey's unique Conveyancing Administration Software Application (CASA) is at the heart of the [easyconvey.com](http://easyconvey.com) electronic conveyancing software, and can significantly reduce conveyancing time for experts working within the property market.
